

AMVER Awards 13 October 2011

On October 13th 2011, a dinner was held at the Intercontinental Hotel for the occasion of the AMVER Awards, hosted by the U.S. Coast Guard and the International Propeller Club of the United States, Port of Piraeus. During the awards ceremony, Enterprises Shipping & Trading S.A. was once more congratulated by the USCG for its invaluable support, as vessels of the fleet have been joining those from hundreds of nations in providing a worldwide safety network to assist search and rescue coordinators in responding to emergencies at sea.

The Company's efforts to urge all vessels to participate are continuous by means of General Info Messages, as well as direct input to the Masters upon their familiarization visits to the EST premises. During 2010, 63 vessels were awarded for their voluntary participation in AMVER, while in 2009, 59 vessels were awarded.
