

EST Newsletter Editing Team

The EST Newsletter was launched in March 2007 and has been released monthly ever since, delivering to all Fleet and 3rd Party Organizations news relevant to Enterprises, various marine advisories, safety & security issues, marine news and global / sports news from seafarers' countries of origin. Numerous favourable critics have been received throughout this time from shore based and seagoing employees, who have embraced this project and proven their support. The editing team is responsible for collecting all relevant information and including same in the monthly issues of EST Newsletter.
